1.0 Policy:
1.1 The Board of Directors of the Canadian Healthcare Engineering Society will establish annual dues for the different types of membership. These dues will be used by the Society for the promotion, development and dissemination of Hospital Engineering technology as outlined in the objectives in the By-Laws. The Society shall be allocated operating funds upon presentation and approval of an annual budget.

1.2 The Society will also collect annual dues for the CHES Chapters and reimburse the Chapter for the chapter dues collected.

2.0 Procedure:
2.1 The following dues structure was established by the National Office, following a membership fee increase approved by the Membership at the Annual General Meeting of September 24, 2013 to become effective for the membership year April 1, 2014 to March 31, 2015.
